

Engineering Management

Engineering management is a specialized form of management that is concerned with the application of engineering principles to business practice. Engineering management is a career that brings together the technological problem-solving savvy of engineering and the organizational, administrative, and planning abilities of management in order to oversee complex enterprises from conception to completion.

- Productivity Improvement
- Production & Operataion Management
- Quality Management
- Supply Chain Management
- Simulation

Research and Academic Papers in Engineering Management

1. Drilling Factor Analysis on Print Circuit Board by Design of Experiment Technique. IE Network 2011, 20-21 2554.
2. Application Pull Production System in Gas Stove Head Industry. IE Network 2011, 20-21 2554.
3. Defect Reduction and Quality Control System Improvement of Windmill Stator Production with QC Tools and Statistical Process Control Technique : Case Study Wind Turbine Stator Factory. IE Network 2011, 20-21 2554.
4. Productivity and Working Efficiency Improvement by Method Engineering Technique A Case Study: Hard Disk Drive Component Manufacturing Industry. IE Network 2011, 20-21 2554.

20-21 2554.

5. 2554.
: Productivity Improve ment by Assembly Line Balancing And Plant Layout A Case Study at Cast Iron Burner Production Factory. IE Network 2011, 20-21 2554.

6. 2554.
Defective Reduction in Hard Disk Drive Process with Statistical Process Control and Measurement System Analysis
IE Network 2011, 20-21 2554.

7. 2554.
: IE Network 2011, 20-21 2554.

8. 2554.
(BSC) : , Development of Performance Measurement System Based on Balanced Scorecard (BSC) Case Study : Plastic Injection Factory. IE Network 2011, 20-21 2554.

9. 2554.
DMAIC : , Defects Reduction for Emergency Knob Product by DMAIC Technique A Case Study of Automotive Part Manufacture. IE Network 2011, 20-21 2554.

10. 2554.
Application of Quality Function Deployment in Healthy Bread Product Development. IE Network 2011, 20-21 2554.

11. 2554.
Electrostatic Precipitator Development by Using Quality Function Deployment. IE Network 2011, 20-21 2554.

12. 2554.

IE Network 2011, 20-21 2554.

20.

Kuptasthien Natha and Opas Thongmeepet. 2009. Product Quality Inspection Improvement by Attribute Acceptance Single Sampling Plan and Its Computer Programming Application. TIIM Conference Proceeding, 17-19 June 2009. Royal Cliff Beach Resort and Hotel, Chonburi.
