On Saturday 17 November 2012, IE Department called for a big meeting for the opening of semester 2/2555. The total number of participants are 542 persons comprising of 21 faculty members, 31 master students and 511 undergraduated students. On this occasion, the department received an honor from Dean and Vice Deans of the engineering faculty to give the speech to the students regarding their study at RMUTT. Later in the program, IE master graduates talked to the students with the title of "how to be a qualified industrial engineer for the future". Department head also covered a topic of how IE department improves towards ASEAN in the year 2015.

A man with dark hair, wearing a brown t-shirt and dark jeans, is standing on a stage and playing an acoustic guitar. He is positioned in front of a wooden podium that has a blue sign with the word "radio" on it. The stage floor is light-colored, and there is a black floor monitor in front of him. The background consists of large wooden panels. The lighting is warm and focused on the performer.

A photograph showing a man in a pink shirt and black trousers standing on the left, speaking into a microphone. He is addressing a large group of students who are sitting on the floor in a hall. The students are wearing school uniforms. In the background, there are blue curtains and a doorway. A woman in a white shirt is standing near the doorway.
